STANDARD MACHINE FENCING PRICE LIST

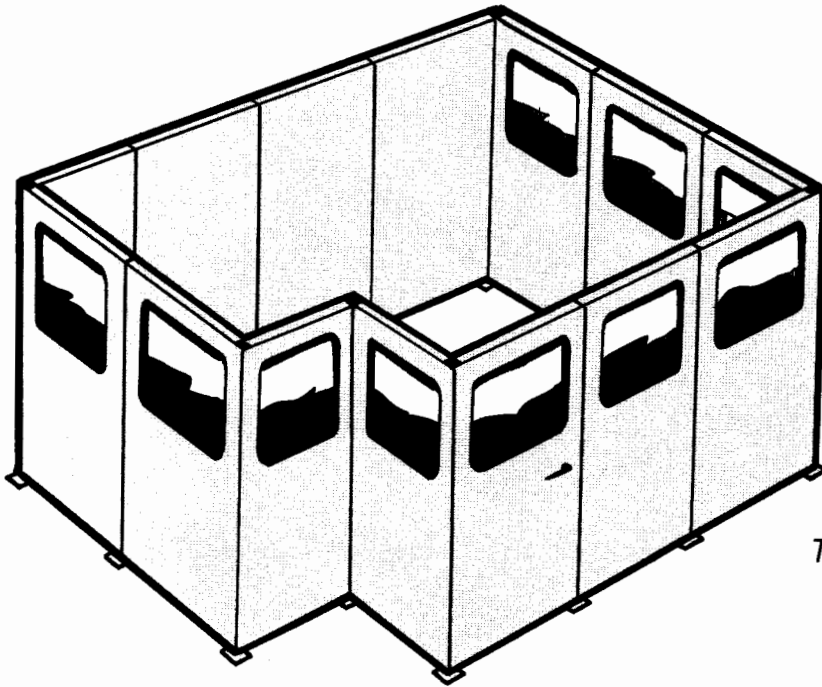

Typical Arrangement: No. 52409

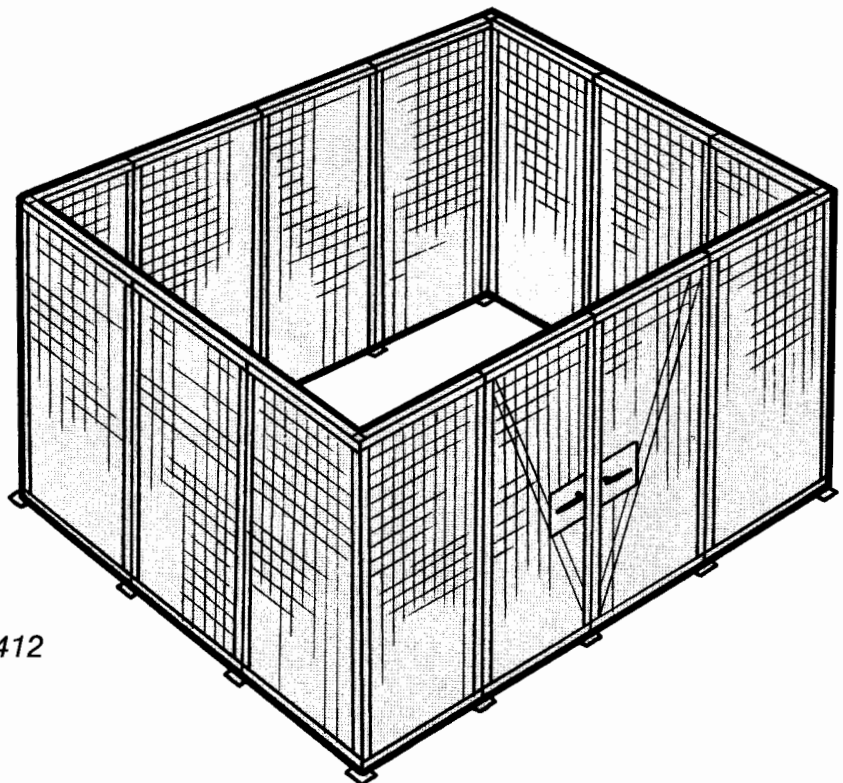

- **Full H.S.E. and E.U. compliance**
- **Top quality and specification**
- **Modular design for fast delivery**
- **Massive range of standard and non standard options**
- **Full 12 month warranty**

Notes:

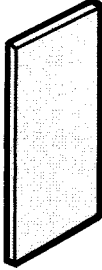

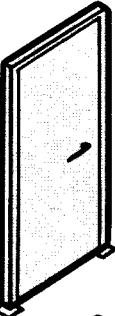

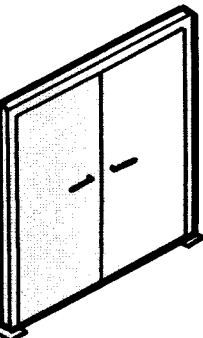

- 1. All RDM machine fencing parts are formed from 1.2mm or 1.4mm mild steel folded panelwork with an epoxy coated finish.*
- 2. Three 'styles' of panels or doors are available, either plain smooth steel or with an infill of 50x50mm steel mesh, or we can offer a superb quality option of a plain panel, punched out with a pattern of square or round holes. This offers the visibility of a mesh panel together with the strength of a plain panel.*
- 3. All prices are per item. Carriage, packing & VAT charged extra.*
- 4. Units can be supplied in kit form or we can provide our full installation service.*
- 5. Full range of electrical interlocks available.*

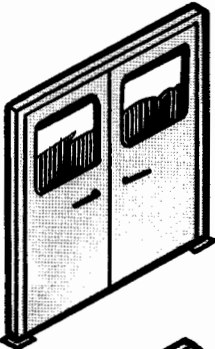

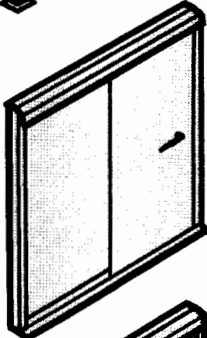

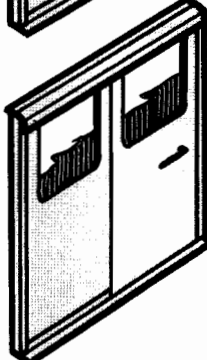

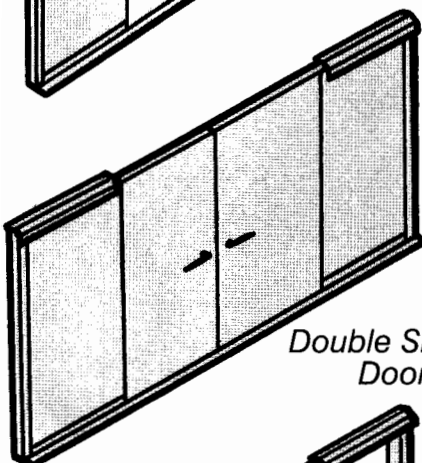

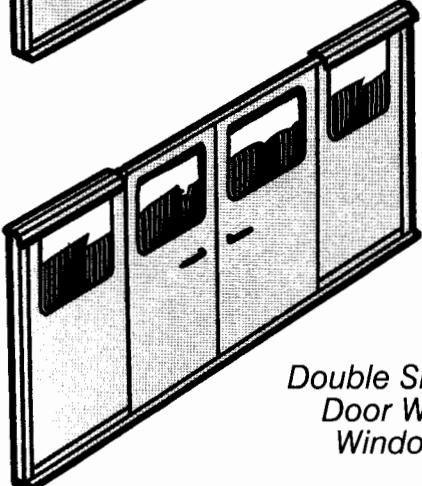

Typical Arrangement: No. 52408

Typical Arrangement: No. 52412

	DESCRIPTION	SIZES(mm)	STYLE OF CONSTRUCTION
